

## Smile Club Savings Plan

More than 50% of people in the United States have no dental insurance. To help with this shortage of coverage we have developed a concept that will provide real discounts and financial help to those who do not have dental insurance. As a member of our discount Smile Club you will receive exclusive discounts that are designed to help you save on your dental care!

We offer single, dual, and family plans to better meet the needs of our patients. Our **Smile Club Savings Plan** is designed to give our patient affordability and greater access to high quality dental care.
